

## R. G. BELDEN IS SUED FOR \$1000 BY ONE OF VICTIMS

R. G. Belden, the "mine" promoter who milked a good many Umatilla county farmers of good red gold several years ago by selling them stock in alleged British Columbia mines and who was recently indicted by a federal grand jury in Spokane, now finds himself the defendant in a suit in the Walla Walla superior court. Colin McEwen, one of his victims, is seeking a judgment for \$1000, charging that the stock he bought was fraudulent and was sold to him by false representation.

The concerns in which stock was sold were the Crown Coal and Coke company, the Michael Coal Co., and the Empire Coal and Coke company.

The complaint states that it was represented that the company was constructing a railroad to its property, that the C. P. Railway company had agreed to build the road and the company could pay for it in 20 years and numerous other allegations, all of which the complaint alleges were fraudulent and made to aid in the sale of stock.

## DON'T GROW BALD

### USE PARISIAN SAGE.

If your hair is getting thin, losing its natural color, or has that matted, lifeless and scraggy appearance, the reason is evident—dandruff and failure to keep the hair roots properly nourished.

Parisian Sage applied daily for a week and then occasionally is all that is needed. It removes dandruff with one application; almost immediately stops falling hair and itching head; invigorates the scalp and makes dull, stringy hair soft, abundant and radiant with life. Equally good for men, women or children—every one needs it.

A large bottle of this delightful hair tonic can be had from Tallman & Co. or any drug counter for 50 cents. You will surely like Parisian Sage. There is no other "Just-as-good"—Try it now.

## COMB SAGE TEA IN LIFELESS GRAY HAIR

### IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

## IF BACK HURTS USE SALTS FOR KIDNEYS

### EAT LESS MEAT IF KIDNEYS FEEL LIKE LEAD OR BLADDER BOTHERS.

Most folks forget that the kidneys like the bowels get sluggish and clogged and need a flushing occasionally else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad salts to folks who believe in overcoming kidney trouble while it is only trouble.

During the week Bruce, an American hunter, arrives in Alahna and proves a timely factor in the fortunes of Kathlyn. Still refusing to wed Umballah, at the end of the fateful week, the Council of Three decrees that Kathlyn must undergo two ordeals with wild animals, which if she accomplished successfully will entitle her to remain a maiden queen. The first required that Kathlyn should be human bait on a leopard's trap; the second, that she should be cast into the arena with hungry lions. She escapes in both instances by the aid of Bruce. In the second test Bruce blows up the big arena by a hidden mine of powder, which he has placed there. The final scene in picture number two shows Bruce rescuing Kathlyn from the arena.

#### EAT EARLY INSTEAD OF LATE FOR GOOD COMPLEXION

OAKLAND, Cal., Feb. 12.—The reason Oakland women have better complexions than their San Francisco sisters is that they eat early instead of late, according to Manager Reiter of the Hotel Oakland.

"Oakland residents like their heavy meal before rather than after the show or the jansant," says Reiter, "while San Franciscans reverse the proceeding and eat heartily late at night and lightly before going to the evening's entertainment. In this they are more like the residents of southern California. Whether it is because they appreciate that by so doing they improve their complexions or whether it is mere habit, I don't know, but the fact remains."
